

Plymouth, N.C. 5/3/91.

Mr. William Brewster,

Sir:-

I am accumulating all the information I can about N. C. birds, and lately learning of your work "An Ornithological Reconnaissance in Western North Carolina," through Mr Geo. J. Atkinson of Chapel Hill, N. C., would be very much pleased if you would send me a copy.

Yours resp't.

J. W. P. Smithwick
